

ARE YOU READY FOR A SUCCESSFUL AUDIT?

Kearney audits major components within the Department of Defense (DoD). For other DoD Components, we assist with audit readiness and support management in preparing for audits and responding to auditor requests, enabling them to complete their work. Whether performing the independent audit or supporting management in making the audit process smooth, Kearney is a leader in the area of audit-related services.

KEARNEY: LEADER IN AUDIT SERVICES

Financial and Performance Audits

Kearney audits major civilian departments and agencies and the majority of DoD components under audit. We also provide IT, contract audits, and performance audits, which are designed to add value and insight to management and operations.
