Greetings ASMC Redstone/Huntsville Chapter Members,

“Meet Us at the Gateway!”, was an excellent theme and what an amazing 75th Jubilee Celebration as both our Redstone/Huntsville Chapter and numerous other chapters around the world all met in St. Louis, Mo. Mr. Rich Brady, CEO, and Washington, DC all did an outstanding job orchestrating a wonderful week of celebration, and our members were engaged and honored during this very historic National Professional Development Institute (PDI). Once again, we maintained our award status as a 5th Star Chapter, one of the Top Volunteer Chapters with the assistance of Ms. Rebecca Hunt and Ms. Debbie O’Neal, plus Ms. Petra Taylor received the Chapter Leadership Award, BDO Corporate Award and myself the 75th Jubilee Leadership Award.

Another special note, Ms. Spangler, ASA FM&C, LTG Chamberlain, ASA FM&C, and the Army FM Leadership executed another great Army Day with your support, and I was honored to be Master of Ceremonies. Congratulations to all the ASMC, OSD, Army Award winners. Some of the other key themes included

COL Samuel B. Glover II
ASMC Redstone – Huntsville,
Chapter President

empowering the Financial Workforce, Audit-Current & Future State, Operations in Support of Russian-Ukrainian War, Modernizing FM Capabilities & Systems and preparing for future reform changes to the Planning, Programming, Budget, Execution process. The biggest overall theme was highlighting our strength and camaraderie as a Financial Management Community having the largest turn-out in our organization’s history.

Continuation of President's Message

In July, we are looking forward to the next professional development session with Mr. Jake A. Roth, Chief Master Planning USAG Redstone Arsenal DPW, topic: "Redstone Arsenal: DPW Financial Impacts and Strategies". Please keep us updated on any other events that you are interested in, and we look forward to seeing you soon at one of our numerous events. As mentioned monthly, our ASMC Redstone/Huntsville Chapter's main focus remains on our "Triple Play" centered on People First, Chapter Excellence and Community Service Partnerships. We will continue to highlight to the entire chapter, not just leadership team, so please do your part to renew your membership annually, invite new members, and promote leadership involvement to support our great chapter events.

As I say my final farewell and transition to my new assignment as the IMCOM G8, all I can say is job well done to the entire team on another awesome year, and it has been an absolute honor to be your ASMC Redstone/Huntsville President. From our National PDI, Mini-PDI, Christmas Party, Chapter Picnic, Veterans Week and numerous volunteer support events, providing High School Scholarships, great monthly professional development events, expanding our social media footprint, informative newsletters plus new banners, shirts, and coins, it was all possible because of our great board and members being active and engaged. Although, I am appreciative of every one of our members, a special thank you goes to Ms. Tina Hinze, our Vice President (VP), who has been an amazing rock of support as we balance between our day jobs support our Warfighters and this volunteer organization. I wish Mr. Jeff Bacon, our new President, Ms. Debbie O'Neal, our new VP, and new board the very best and I know they will continue to raise the bar of our great organization to new levels.

Finally, I hope everyone continues to enjoy the rest of the month of June and a have safe/enjoyable 4th July Day Holiday with command teams and fellow ASMC members. Thanks for all you have done, and continue to do, to support the American Society of Military Comptrollers Redstone/Huntsville Chapter, looking forward seeing the excellent things you all will do in the year ahead.

Iron Sharpens Iron and Hunt for the Good Stuff!

Hooah!

Col. Samuel B. Glover II

ASMC Personal Impact

Khoe Tran joined ASMC in November 2020 when she learned about the Redstone/Huntsville Chapter from a colleague. Khoe initially joined ASMC to earn CPE hours, however, once she joined she became aware of the fellowship, various professional development events/conferences and received a warm and friendly welcome from fellow chapter members.

Since joining in 2020, Khoe has enjoyed volunteering at various community service events including Heroes Week and Panoply, just to name a few. Heroes week is held each year to honor veterans and those who served in the military. In 2022, Khoe volunteered at the welcome table and helped distribute gifts to veterans, as well as provide information on the various events for the week. At the end of April 2023, Khoe volunteered at the Panoply Arts Festival at Big Spring Park where she helped 10-12 year olds perform science experiments. In addition to volunteering at ASMC events, Khoe also serves as a volunteer income tax preparer for a tax program sponsored by AARP Foundation and the IRS. Volunteering to prepare income tax returns is very rewarding. The program saved North Alabama taxpayers about \$950,000 in tax preparation fees for the tax season that just ended. If you don't know, the tax program is open to all income levels and age groups and utilizes tax software provided by the IRS.

Khoe Tran is a Certified Public Accountant (CPA). She started her financial management career as a DCAA Auditor then transitioned to U.S. Space and Missile Defense Command (SMDC) then Missile Defense Agency (MDA). Khoe worked as a Contract Price Analyst at MDA before retiring from the government. Shortly after retiring, Khoe became a contractor for different organizations. Now, Khoe works for BDO as a contractor performing quality control of cost estimates for United States Army Environmental Command (USAEC).

ASMC Personal Impact

Being a member of ASMC has been very rewarding for Khoe. One of the things she would like to mention is that the 2023 National PDI was very educational. Khoe attended the conference virtually but stated the conference offered a variety of topics including: PPBE (Planning, Programming, and Budget Execution) process reform, Audit Findings, Audit Remediation, Data Analytics, and Artificial Intelligence. When asked what advice she would give those new to DoD FM and ASMC, Khoe states “Knowledge is power, so keep learning and improving as much as you can.” In her spare time, Khoe’s hobbies include ballroom dancing and line dancing. For the past two years, Khoe and Nancy Howe led line dancing at the annual chapter picnic.

Thank you for your contributions to our chapter and for teaching us how to line dance! ASMC is so glad to have you!

Khoe Tran
